## Mix & Match

- Break the monotony and highlight the interiors with special designs and colours.
- Use of bright dynamic and bold colours with unusual patterns and motifs are in. The trend has shifted to mix and match.

## Solid Style

- Solid colours mixed and matched with printed fabrics are going to dominate this season. The concept of a coordinated look will be the trend that will be seen in most houses.
- The colours that are going to be in-vogue this season are solids, ivory, yellow-gold and ash grey.
- A light to dark design trend will be running the home fashion space to celebrate festivity. For gorgeous effect, add pretty pops of bold colours.
